Enquiry No: PHY/LHE/2012/1

December 24, 2012

Dear Sir/Madam,

The Central Cryogenics Facilities, Department of Physics, IIT Kanpur invites quotation for 460 cubic meters high purity helium gas for liquefaction purpose. The specification of gas, term & condition are as follows

1. Gas : Helium ,
Purity: 99.995%, Impurities: Oxygen \leq 5PPM, Moisture \leq 5PPM, THC \leq 1PPM, Nitrogen \leq 2PPM
2. The supplier is required to provide the gas in our institute cylinders quads (each containing \approx 16 cylinders).
3. The supplier is also required to provide a certificate of purity of the gas.
4. All the taxes will be clearly mentioned in the quotation.
5. Transportation conditions such as FOR/Ex-works/Tro-Fro & charges should be clearly mentioned in the quotation.
6. Quotation should be valid upto 60 days.
7. Delivery period should be clearly mentioned.

This order is likely to be repeat in the future, your offer must consider institutional discount. Please send the sealed quotation in favour of Dr. Anjan K Gupta latest by 7th January, 2013

Sincerely

(Dr. Anjan K Gupta)
